

# BBTechnics

## BBTECHNICS OY

The specialist in  
technical sales

Though BBTechnics is a young company, it has loads of expertise, know-how and international experience from the field.

This is due to professional and trained staff, strong partners and its former parental company Bang & Bonsomer Group, which history goes all the way back to 1920.

We are a very strong actor in our business and our sales territories are Finland, Baltic states and Scandinavia.

Customers trust and safety are the utter most important things for us, so we always take a personal responsibility of the products that we distribute.

## SERVICES

To our selection  
belongs

Plastic welding machines  
Process heat equipments  
Hot blowers  
Hot melt equipments  
Painting equipments  
Pneumatic tube systems  
Bandsaws and cutting devices for plastic materials  
Processed metal sheets  
A wide range of accessories to nearly all the machines

In addition we also offer service, yearly maintenance contracts, training, consulting and installation on the site.

## CUSTOMERS

We have thousands of satisfied  
customers

We do not make any compromises when it comes to well-being of our customers, as our success is based on it.

We do make a close co-operation with our customers and we want to make them achieve their goals as well.

We want to create competitive advantage for our customers by offering the best possible solutions for them. By combining our skillfully constructed product portfolio and our expertise, we are able to offer different types of solutions to the varied product/service needs of customers. Our net of customers covers Finland, Baltic States and Scandinavia.

Our customers value the quality and the good customer service that we can offer them today and in the future as well. We highly respect our customers and our goal is to establish many long-term customer relationships. We want that the customer can trust us in the future as much as today.
